Dear Sir

LOCAL PLANNING SCHEME No. 3 - SCHEME REVIEW REPORT

I refer to your letter of 28 September 2017 regarding the above matter.

The Western Australian Planning Commission has resolved to support the recommendations in the scheme review report to prepare a new local planning scheme and local planning strategy for the Shire of Cunderdin.

The Shire of Cunderdin is advised that the local planning strategy should be undertaken prior to development of a new local planning scheme.

Regulation 67(2) of the LPS Regulations requires the Shire to publish the scheme review report and notice of the Commission's decision on the website of the local government or in any other manner approved by the Commission, and to make the report and notice available for inspection at the office of the local government.

Yours sincerely

Kerrine Blenkinsop
Secretary
Western Australian Planning Commission
