Notice of Proposed Sea Container Policy

It is hereby notified for public information and comment that the Shire of Cunderdin has prepared a draft Local Planning Policy for better and clearer regulation of the use of sea containers within the Shire of Cunderdin.

The objectives of the new Local Planning Policy are to establish clear guidelines for the placement of sea containers used for storage purposes and to achieve a balance between legitimate needs for storage and aesthetic impacts.

This Policy will supersede the existing Local Planning Policy for Sea Containers when adopted.

A copy of the draft Policy is available from the Council Administration Office, Lundy Avenue, Cunderdin, between the hours of 8:30am and 4:00pm, Monday to Friday, or alternatively on Councils website at www.cunderdin.wa.gov.au.

Submissions on the proposal must be submitted to the Council in writing on or before 4:00pm Friday 6th February 2015.
