PUBLIC NOTICE

Cunderdin Works Update

Lundy Avenue, Bedford Street & Kennedy Street

From 16 February 2026, the Shire of Cunderdin will be undertaking tree clearing works along Lundy Avenue, Bedford and Kennedy Street as part of preparation for a future shared path development.

During these works, you may see contractors, machinery and traffic management in place. Please stay clear of work areas, follow all signage, and take care when driving or walking nearby.

We know how important trees and green canopy are to our community. As part of this project, the Shire is planning to replant suitable street trees in appropriate locations once works are completed.

Thank you for your patience and cooperation as we work to improve local infrastructure for everyone.
