

COUNCILLOR PROFILE

My name is Bernard DALY I have resided in Cunderdin since 2011. I originally worked in Cunderdin as a Police Officer 43 years ago and I served around the state retiring at the rank of Inspector. My two children grew up here and attended Cunderdin School for a period of six years.

I am retired and have been a councillor at the Shire for the past eight years during which time I have endeavoured to discharge my responsibilities diligently.

I am an active committee member of the following organisations; Men's Shed, CRC, Cottage Homes, The Gym, and the over 65s Club.

I am applying for another term so I can continue to be active in the decision making process affecting our community as I enjoy working with like minded people.
