

## NOMINATION FOR SHIRE COUNCILLOR – TODD HARRIS

I am a 60-year-old fourth generation Cunderdin farmer, married to Alison, with two sons, Jordan and Taylor.

Born in Cunderdin, I attended primary school at Cunderdin District High School. I then completed three years of boarding school at Guildford Grammar School and finished my schooling at Cunderdin Agricultural College.

I spent many years working with my family on our diverse properties before branching out to establish my own farming enterprise over thirty years ago.

I have been involved in many clubs and organisations, often assuming a committee position to take a more active role and further my commitment and enjoyment.

A strong community spirit is, I believe, essential for our shire to develop and succeed. In re-nominating myself as a Shire Councillor, I appreciate the opportunity to represent the wider community to help make Cunderdin a stronger and more prosperous community.
