Welcome Sam – New Governance Officer!

Hello, I am Sam and a resident of Meckering where over the past 17 years, I have raised my four children and have had a strong association with the community through the Meckering Primary School, Meckering Ladies Hockey Club and the Meckering Sporting Club.

Prior to commencing the role of Governance and Administration Officer with the Shire of Cunderdin, I have spent the last four years working for the Shire of Tammin as the Community Development and Finance Officer. I have a passion for the Cunderdin Community stemming from having strong family and community ties to the region that I grew up in. I look forward to working with the Shire of Cunderdin Councillors, Staff and Community.

What's happening around the Shire

Pool Progress

The Cunderdin Memorial Pool project is gaining traction with the first under coat completed in both pools. When the weather is not too hot or too cold the next two coats of paint can be applied.

O'Connor Park Redevelopment

Our O'Connor Park Redevelopment layout plan is nearing completion! After lots of discussions with the Cunderdin Youth Council, Indigenous Community members and Council staff - we are very close to locking in the layout design. Our colour schemes have also been selected with the under 5 play area filled with bright colours and the main play area based on natural colours.

The next step in the park redevelopment project is the youth consultation session, which will determine the skate park layout and design.

Expression of Interest – Cafe

Expression of Interest - Lease of Café O'Connor Park

Introduction

The Shire of Cunderdin is seeking expressions of interest from enthusiastic individuals who are passionate about food retail operations and are interested in delivering a high standard of food and beverage service to community members and visitors alike.

This expression of interest will be the first stage of the process. The expression of interest stage will result in a shortlist of operators who may be invited to provide further information as part of the design and development process.

Cafe Vision

Provide customers with high quality food and beverages at an affordable price.

Provide exceptional service.

Create a place of warmth and welcome that echoes the wider vision of the Shire of Cunderdin.

Background

Throughout the Shire of Cunderdin's strategic planning and community consultation it has been identified that a Café would be a beneficial addition to the community members and would encourage travellers to stop and enjoy what Cunderdin has to offer also providing additional employment and or training opportunities for community members.

The Shire is currently in the process of exploring the option of installing a small café within the redeveloped O'Connor Park precinct to lease to a suitable party to provide the community with high quality food and beverages.

Expression of Interest Process:

If this is of interest to you, please submit an expression of interest by providing your details via email to hayley.byrnes@cunderdin.wa.gov.au by the 14th of October 2022 or phone (08) 96352700 if you have any queries.
