Showcase in Pixels

(formerly know as the Banners in the Terrace)

SHIRE SNIPPETS

Meckering Primary School students from years 3-6 created a banner to enter into the annual Showcase in Pixels competition. The students discussed the Shire and the significant natural icons which they then included in their art work. They did a fantastic job and it shows off their artistic skills. A big thank you from the Shire of Cunderdin for all your hard work. It is beautiful!

From the Shire Depot

Building and Maintenance:

Maintenance on machinery and general maintenance around Shire properties is in progress.

Garden:

The Shire's gardeners are working on general garden maintenance in Cunderdin and Meckering. The gardeners are currently planting new flowers and attending to the preparation for winter maintenance on all flowerbeds.

Road crew:

The construction crew has finished all of the Shire's Regional Road Group Program works. The Crew will now commence re-sheeting works on unsealed roads.

Maintenance grader:

The grader operator is attending urgent repair requests, continues maintenance grading with priority being given to school bus routes and is also currently attending to road failures.

General:

Roadcounters have been installed to identify the amount of traffic and to prioritise the Shire's road work program.

Shire staff members are in the process of scaring the huge number of Corellas within the Shire using a starting pistol early in the morning.

MANAGER OF WORKS AND SERVICES Shire of Cunderdin

The Shire of Cunderdin is a vibrant Wheatbelt country community that offers all the benefits of small town living (secure & family friendly), and within close proximity to the City.

The Shire of Cunderdin is seeking to recruit a suitably qualified person to fill the role of a Manager of Works and Services.

As Manager of Works and Services you will take overall responsibility for the organisations infrastructure requirements. You will foster a customer service focus, a positive team culture, a cohesive relationship with the Council and the community and provide a basis for efficient planning and delivery of services provided by the organisation. You will develop and lead the goals and objectives of the Shires infrastructure as set out in integrated plans, budgets, and capital works programs. You will be accountable for the Shires human, financial and physical resources within the Works and Services Department.

Ideally, you will have experience in and have intimate knowledge of the workings of local government. Additionally, you will hold relevant tertiary qualifications (desirable) and have relevant senior management experience as well as a sound knowledge of road construction and maintenance and the outside operations of a rural or small Shire.

A performance based 3-year contract will be negotiated within the range of \$124,541 to \$141,566 inclusive of a cash component of \$95,000 to \$110,000.

PUBLIC NOTICE

**Standpipes within Shire of Cunderdin closed to public
from July 2019**

REGIONAL FIXED STANDPIPES – NEW CLASSIFICATIONS

Water is a valuable resource and regulated charges are set by the State Government based on its use.

From the 1 July 2019 the Water Corporation will implement a new charging system for Local Government owned fixed standpipes. The new charges will be prohibitive for the Shire to continue to supply potable water to residents through this system.

The new pricing structure is linked to the size of the standpipe meter, as this determines the flow rate. Sale of water from a standpipe with an outlet diameter of greater than 25mm (high flow) will incur a service charge of up to many thousands of dollars and a base rate of more than \$8/KL, which is not feasible for the Shire to charge out to its ratepayers.

As a result of these changes the Council has resolved that standpipes within the Shire of Cunderdin to be closed to the public. Accordingly, they will be locked and only accessible for Council usage and for firefighting purposes.

Unfortunately, this also means locals and businesses will only be allowed to purchase water from Commercial standpipes within the townsites of Cunderdin and Meckering.

Keys for these standpipes must be obtained from the Shire Office or Barkley Royal Meckering.

In the event of a State Government declared “drought zone” exists, all shire-owned fixed standpipes will be made available at concessional rates to the community for drought relief in accordance with the terms of the declaration conditions. The Standpipes will be progressively secured over the coming 6 weeks prior to 1 July 2019 requirements of the Water Corporation.

IMPORTANT NOTICE

Open Burning Period

The Shire of Cunderdin would like to remind everyone that the Open Burning Period commenced on the 30th March 2019 until midnight 18th September 2019.
