Subject: Bushfire Risk Mitigation Coordinator position

Good morning Stuart and Hayley

Bushfire Risk Management Branch are looking at appointing additional Bushfire Risk Mitigation Coordinators in the 2023-24 FY.
Bushfire Risk Mitigation Coordinators (BRMC) plan, implement and evaluate LG mitigation programs. (MAF)

Responsibilities include:
Prepare and complete annual and long-term mitigation programs.
Manage grant applications to secure funding for LG mitigation works.
Coordinate the completion of treatments with contractors and Brigades.
Report to LGs on the status and success of their mitigation program.

Attached is an overview of the BRMC position. Also attached are copies of the JDF, Grant Agreement and Business Plan for your information.
The Goldfields Midlands Region are looking at three LGs sharing the position for the three years.
The LGs being Cunderdin, Wongan-Ballidu and Tammin.

Giles De Brito, Business Development Manager Bushfire Risk Management Branch, is happy to travel to the Region to take you through the BRMC package in more detail if needed.

Regards

Gary Rowles
