#### 9.4 Writing Off Sundry Debt – Singapore Flying College Pty Ltd

<b>Author:</b>	Lauren Cole
<b>Item Approved by:</b>	Stuart Hobley, Chief Executive Officer
<b>Disclosure of Interest:</b>	Nil

<b>Attachment/s:</b>	1 x Attachment

#### **Proposal/Summary**

It is proposed that Council consider writing off invoice 1151 for the amount of \$11,824.21 for the Singapore Flying College Pty Ltd.

#### **Background**

The Singapore Flying College has been operating out of Cunderdin airfield since early 1990s, they mainly use the airfield for 'touch and goes'. Council held a goodwill verbal agreement with the College for an annual fee that increased by the CPI each year. In 2019, the Singapore Flying College paid \$11,638.00 and were invoiced \$11,824.21 for the 2020 annual fee.

Council on the 12<sup>th</sup> August 2020 received communication from the College advising that in recent years their training in Cunderdin has significantly dropped off and due to the impact of the Covid-19 pandemic to the whole aviation industry, they will no longer be able to contribute these annual fees.

On the 3<sup>rd</sup> September 2020 Cr Dennis Whisson and Mr Stuart Hobley attended a Video Conference with the Singapore Flying College to review the existing arrangement with the Shire.

#### **Comment**

The aviation industry and Singapore Flying College has been severely impacted by the pandemic crisis. Captain Christopher Chan, General Manager of Singapore Flying College advised during the video conference that the training by the college has recently dropped off by more than half and will further reduce to zero for at least the next 3 years as there parent company is no longer recruiting any trainees.

A proposed amount of \$5,000.00 per annual with a review for the coming years is the circumstances change.

## 9.5 Cunderdin Tennis Club Inc – Annual Lease Payment

<b>Location:</b>	Cunderdin Tennis Courts
<b>Applicant:</b>	Cunderdin Tennis Club

<b>Author:</b>	Lauren Cole
<b>Item Approved by:</b>	Stuart Hobley, Chief Executive Officer
<b>Disclosure of Interest:</b>	Nil
<b>File Reference:</b>	Nil
<b>Attachment/s:</b>	3 x Attachments

### Proposal/Summary

It is proposed that Council consider the correspondence received from the Cunderdin Tennis Club in regards to their invoice for the Annual Lease payment.

### Background

Council has recently sent invoices to all the sporting groups requesting payment of their yearly annual lease of the facilities as per the adopted Fees and Charges. On the 7<sup>th</sup> September 2020 we received correspondence from the Cunderdin Tennis Club seeking clarification regarding this charge prior to them making payment.

### Comment

As per the Shire of Cunderdin 2020-2021 Fees and Charges, the current sporting club fees are;

Football	\$2,810.00
Hockey	\$ 562.00
Basketball	\$ 354.00
Netball	\$ 354.00
Bowling Greens	\$1,400.00
Tennis Courts	\$1,400.00

None of these fees were increased for the 2020/2021 financial year.

As of the 10<sup>th</sup> September 2020, the only sporting clubs that have paid are the Cunderdin Football and Cunderdin Netball Club.

Currently the Shire does not hold any lease agreements or documentation on what each club is expected to provide or what is expected of the Council. The Meckering sporting clubs are not currently charges any lease fees as we do not provided any assistance with maintaining their surfaces or amenities.

The Cunderdin Tennis Club raised this issue in 2017, with the requests of;

- Removal of Cobwebs, sand, rubbish, cigarette butts and any other loose rubbish from the north and east verandahs and surrounding walkways twice weekly.
- Removal of superficial leaf litter, rubbish and sand from courts twice weekly before play on a Wednesday and Saturday.
- Repair any damages to synthetic surfaces,
- Maintenance of the playground to ensure it is safe for children.

In the response letter from this request most items were included as part of the groundsman's list of duties. Due to changes in Mangers of Works and Services and staff some of these request may no longer be getting provided regularly. The understanding from the Manager of Works and Services is that during the playing

season the outside staff were spending around one (1) hour a week to maintain and clean the area associated with the Tennis Club.

If the shire was only spending an hour per week at the courts then the account would be cost neutral on the wages.

### Proposal/Summary

To provide an update on the matters the Chief Executive Officer has been addressing over the past month.

### Background

#### Old Hospital Site

After WA Country Health Service (WACHS) recent visit to Cunderdin they made a commitment to follow up on the transfer of the Old Hospital Site to the Shire. WACHS have advised that the land at the Old Hospital Site will be transferred to the Shire at no cost to Council.

#### Wireless Internet

The Australian Government has now opened the Regional Connectivity Program (RCP) competitive grants opportunity and is calling for applications from interest entities. The RCP will provide up to \$53 million of targeted, place-based investments in telecommunication infrastructure projects.

The Shire has been contacted by two wireless internet providers who are interested in establishing infrastructure within the Shire of Cunderdin. Both providers have advised they are applying to the fund to provide a wireless solution throughout the region. They have both asked the Shire for a letter of support to assist their application. The letter of support does not commit the Shire to any future funding obligations and does not restrict the Shire to exclusive deal with one party in the future.

#### Museum

Conservation works have commenced at the museum. The flooring and steel supports along the northern side on the engine room have been removed. Whilst this work was being completed the builders noticed inconsistencies with the flooring on the southern side of the engine room.

Further investigations have found the floor boards and joists have significantly damaged by termites. The builders CLPM are submitting a quote to the National Trust to complete remediation works in this area of the building as well. The quote has not been received at the time of writing this report. A further update will be provided at the meeting.

#### Ettamogah Pub Verandah Lease

This Department of Planning Lands and Heritage (DPLH) is currently considering a proposal to renew the Leasehold over Lot 500 on Deposited Plan 64366. Lease L322711 (the verandah area out the front of the Ettamogah Pub that extends onto the footpath and road). The existing lease expired on 31 November 2019 and is currently in hold over.

This lease is in the name of tenants in common of the Ettamogah Pub and the purpose of the lease is for the "Extended Trading Area and Verandah" for the Ettamogah Pub on Main Street, Cunderdin.

The new lease will be backdated to commence on 1 December 2019 for a term of ten years and will be in the name of Fulwood Holdings Pty Ltd.

The DPLH have request if Council has any comment on the renewal of the lease.

The Shire has not received any complaints about the verandah area or any anti-social behaviour coming from this area. The verandah adds ambiance and character to the main street. It is recommended that Council supports the applications to renew the lease.

#### Central Wheatbelt Visitors Centre MOU

The Shire of Cunderdin is a part of the Central Wheatbelt Visitors Centre (CWVC) along with the Shire of Tammin and the WEROC Councils (Bruce Rock, Kellerberrin, Merredin, Southern Cross and Westonia). The CWVC is located in Merredin and provides information to tourists on the region.

There have been some changes to Schedules 1 and 2 of the MOU that relate to changes made to WEROC's website and App. The changes do not affect the Shire of Cunderdin.

#### Industrial Land

The Shire has received several inquiries with respect to purchasing industrial land in Cunderdin in the past 12 months. The most recent stage of the industrial development on Centenary Place has sold out and there is no industrial land for sale in town.

Development WA (previously known as Landcorp) were invited to Cunderdin to discuss opportunities to develop more industrial lots in Cunderdin. They recently attended a site visit and have developed plans to complete the Centenary Place industrial subdivision.

The original plans for the industrial subdivision were required to be amended as CBH purchased several of the lots from the Shire to complete the upgrade to the CBH site and stacking area.

### **Proposal/Summary**

The Council to consider adopting the proposed Shire of Cunderdin Local Planning Scheme No. 4 (Scheme) with the recommended changes.

### **Background**

The current Shire of Cunderdin Local Planning Scheme No. 3 was gazetted in May of 2007 making it over 13 years old. It currently uses terms and zones that have since been replaced in the new Planning and Development Regulations 2015. In addition to this there were not enough uses listed in the scheme, meaning that some people had to go to council for a use not listed.

The new Planning and Development Regulations 2015 requires that council's review their Town Planning Schemes once every 5 years, with this report being submitted to the Western Australian Planning Commission within 6 months of the due date.

The Town Planning Scheme review report found that;

- The format of the Scheme is out-dated and not in keeping with the latest standards and provisions prescribed in Schedule 1 – Model Scheme Text of the Planning and Development (Local Planning Schemes) Regulations 2015.
- The Scheme text does not incorporate good definitional principals to determine a policy or action, resulting in vague provisions to control and guide land use and development in the local government area.
- The Scheme maps need to be updated to reflect a number of changes to the purpose of various reserves and cadastral boundaries that have occurred as a result of subdivision/ amalgamation approvals issued by the Western Australian Planning Commission.
- The Scheme reflects the pattern of land use and development within the Shire that prevailed in 2007 and does not provide a strategy or concise guidelines for development options in line with anticipated local government and community desires. As such the Scheme does not fulfil ideal development controls or long term planning objectives.
- The Scheme has limitations in terms of land use options and is generally ineffective in terms of development control as there are insufficient provisions within the Scheme to safeguard and enhance the character, amenity, environmental values and natural resources of the Shire and to promote ecologically sustainable land use and development; and
- The Scheme will require updating following the adoption of the new Regional Local Planning Strategy. It does not reflect or assist in the implementation of recent Regional or State Planning Strategies and Policies.

As a result the Draft Shire of Cunderdin Local Planning Scheme No. 4 was prepared and advertised.

### **Comment**

Advertising for the Shire of Cunderdin proposed Local Planning Scheme No. 4 commenced on the 31<sup>st</sup> October 2019 and submission were open for a three month period, closing on the 31<sup>st</sup> January 2020. Letters were issues to all affected property owners, relevant government departments and two information session were held for community consultations.

During the submission period for the Shire of Cunderdin proposed Local Planning Scheme No.4 many of the local property owners and departments contacted the shire for discussions regarding the proposed zoning changes. This resulted in some feedback from the departments in particular the Department of Water, Environment and Reserves. In addition to this the Cunderdin Business Group and the Meckering Action Group requested meetings/presentations to their members regarding the proposed changes. In Meckering this resulted in a number of significant changes, requiring the Scheme to be readvertised for a further 21 days.

At the 20<sup>th</sup> February 2020 Ordinary Council Meeting resolved the following;

That Council:

1. Notes all the submissions received during advertising period.
2. Resolve to adopt the amended proposed Shire of Cunderdin Local Planning Scheme No.4.
3. Advertise the amended proposed Shire of Cunderdin Local Planning Scheme No. 4 for 21 days.

No further submissions were received during the second round of advertising.

The proposed Shire of Cunderdin Local Planning Scheme No. 4 has undergone a number of changes as a result of the feedback from the residents of Meckering and how they wish to see their townsite develop in the near future.

### **Consultation**

The scheme was advertised for a period of three (3) months as required by the Planning and Development regulations 2015. The feedback resulted in a number of significant changes to the scheme, which resulted in it being advertised for a period of 21 days.

No further changes were required after the last round of advertising as there were no further submissions.

### **Statutory Implications**

The current Shire of Cunderdin Local Planning Scheme No. 3 would be superseded by the new Shire of Cunderdin Local Planning Scheme No.4.

### **Policy Implications**

No policy implications, all the current policies would continue to be in effect.

### **Financial Implications**

### **Strategic Implications**

Local planning schemes are the principal statutory tool for implementing the local planning strategy and achieving the local government's aim and objectives with respect to the development of its local area. While schemes deal mainly with land use, development control and infrastructure coordination, they must be developed in the context of the strategic framework and the broader environmental, social and economic goals and objectives.

**Recommendation 11.2**

That Council:

1. Resolve to adopt the Shires of Cunderdin Local Planning Scheme subject to the previously approved and advertised modifications.

#### **Proposal/Summary**

For Council to consider adopting the Shire of Cunderdin, Quairading and Tammin Regional Local Planning Strategy (Strategy) with the recommended changes.

#### **Background**

The Joint Local Planning Strategy (Strategy) prepared for the Shires of Cunderdin, Quairading and Tammin provides the vision and framework for long-term planning and development in the Region over the next 10 – 15 years. This strategy is to create an interface between regional and local planning, ensuring the best possible outcomes for the three shires.

At the Ordinary Council Meetings held October 2018 the Shires resolved to adopt the Joint Local Planning Strategy for Advertising, which was completed at the end of February 2020 in conjunction with the New Proposed Shire of Cunderdin Local Planning Scheme No. 4. The Strategy was advertised for a period of three (3) months to the Shires of Cunderdin, Quairading and Tammin as well as the relevant government departments.

This advertising resulted in a large number of local residents and some departments providing feedback about the proposed scheme. In turn creating changes to the strategy. The feedback and changes in the Shire of Cunderdin resulted in a number of changes which can be found in the Table of Changes document attached. Now that all the advertising is complete and the recommended changes have been listed. The Shires need to review the proposed changes and adopt the Strategy subject to these modifications.

#### **Comment**

The proposed Joint Local Planning Strategy has undergone a number of changes as a result of the feedback from the residents of Meckering and how they wish to see their town develop in the near future.

This includes:

- Add action 4.3.4 on pg 17 to “Rezone lots 41, 420, 500, 405, 406, 53 and 54 Dempster Street and Lots 35, 419, 150, 47, and 404 Throssell St Meckering, from ‘Mixed business’ to ‘Rural Townsite’ to reflect the current and future use of the properties.
- Amend action 10.1.2 on pg 20 to “Rezone lots 41, 420, 500, 405, 406, 53 and 54 Dempster Street and Lots 35, 419, 150, 47, and 404 Throssell St Meckering, from ‘Mixed business’ to ‘Rural Townsite’ to reflect the current and future use of the properties.
- Amend action 10.3.1. on page 21 to “Rezone Lots 3,100 and 372 Dempster Street, Lots7, 8, 9, 10, 11, 12, 200, 394, 400 and 600 Johnston Street and Lots 100, 101 and 200 Clifton Street from ‘Rural’”

#### **Consultation**

The strategy was advertised for a period of three (3) months, which is longer than the 6 weeks required by the Planning and Development regulations 2015. This was done as we were required to advertise the Scheme for a period of 3 months.

#### **Statutory Implications**

The current Shire of Cunderdin Local Planning Strategy would be superseded by the new Joint Local Planning Strategy.

**Policy Implications**

No policy implications, all the current policies would continue to be in effect.

**Financial Implications**

Nil.

**Strategic Implications**

The Local planning strategy is the framework for local planning and the strategic basis for local planning schemes. It provides the interface between regional and local planning, and is increasingly being seen by other agencies as the means by which to address economic, resource management, environmental and social issues at a strategic issue.
