Cunderdin Shire

Attention : CEO -Stuart Hobley

Stuart,

I'm writing to you on behalf of Hutton and Northey Sales - a regional agricultural Machinery Dealer with a branch in the town of Cunderdin.

Over the years that we have been lucky enough to operate a business in Cunderdin, a major stumbling block to our expansion and consolidation of service to the local farming community has been limited suitable housing stock for singles and couples.

This has necessarily led to shared accommodation situations in larger houses, which has a restrictive work / after hours dynamic which is ultimately not sustainable. Lately however due limited housing stock offering poor quality and or excessive rents this less than desired option is not available.

Please accept this letter as an expression of interest in accommodation units being made available or being considered for refurbishment in Cunderdin.

If you have any questions regarding this letter please call me.

Regards
