Mr. Stuart Hobley
Chief Executive Officer
Shire of Cunderdin
PO Box 100,
CUNDERDIN WA 6407

Dear Stuart,

RE: Meckering Murals Project

The Meckering Action Group are writing to request permission to proceed with a public art installation (a painted mural) on the north facing façade of the Meckering Town Hall.

MAG is aware and supportive of the Shire of Cunderdin's Meckering town centre revitalisation plans and have considered ways that we can value add to this program of works. Our members have identified several artistic projects which will add vibrancy to the area, including two painted murals, one on the gazebo in the earthquake garden and one on the wall of the town hall.

Both murals will be visible to passing traffic on the Great Eastern Highway and are within easy walking distance for visitors who stop in the town centre to view the earthquake attractions.

If permission is granted, MAG will be applying for grant funding to enable us to engage the services of an artist to design and paint the mural. While the actual design has not been decided upon as yet, our thoughts at this stage are that the mural on the gazebo will be earthquake related, possibly a seismographic image, and the town hall mural will be a collage of heritage images of Meckering in its early days. The Shire would be consulted on the design before any decisions are made.

We appreciate you taking the time to consider this request and would be happy to answer any questions you may have about the project.

Sincerely

Natalie Snooke
President
Meckering Action Group
