

Good afternoon,

Please disregard the previous request. The applicants requested route has been assessed and deemed unsuitable for RAV Network 7.3.

The applicant is now requesting an alternative route via Quellington Rd and Moore Rd within the Shire of Cunderdin:

Would the Shire of Cunderdin support the following:

Dimension Requirements					
Road No.	Road Name	From Location (SLK)	To Location (SLK)	Current Network	Requested Network
4060004	Quellington Rd	Great Eastern Hwy (0.00)	Moore Rd (1.90)	Tandem Drive Network 7	No change
4060012	Moore Rd	Quellington Rd (0.00)	Hardy Rd (6.78)	Tandem Drive Network 7	No change
Mass Requirements					
	Road Name	From Location (SLK)	To Location (SLK)	Current Mass Level	Requested Mass Level
4060004	Quellington Rd	Great Eastern Hwy (0.00)	Moore Rd (1.90)	AMMS Level 1	AMMS Level 3
4060012	Moore Rd	Quellington Rd (0.00)	Hardy Rd (6.78)	AMMS Level 1	AMMS Level 3

To assist HVS in this process, please provide us with estimated traffic volumes and any comments relating to road condition, planning conflicts, development issues etc. that may be impacted by adding the above road(s) onto the requested RAV network or increasing the mass level.

It would be appreciated if you could provide your comment to HVS within four (4) weeks of this email to enable HVS to consider any potential issues as part of our assessment process.

It is important to ensure that any comments are provided with sufficient reasoning, as this will be used to justify our decision to the applicant.

Regards,

Michael Rizidis
