1	Having 2 days a week is not acceptable to get to the tip. The vast majority of people in town support local sport for both kids and adults. All happen on weekends both Saturday and Sunday leaving only 1 day to get to the tip. I work FIFO and fly in and out on Wednesday so this doesn't work either. Why is there no gate with swipe access like Cunderdin. We can appreciate that it is expensive to install but it is not a waste of money in my opinion. We do pay rates in Meckering and are entitled to this service just like Cunderdin. There would be no need for a person to be paid to sit at the tip on weekend rates and we can get rid of our rubbish we should not have to drive a 40 to 60 min round trip to Cunderdin at our expense	2/6/2026 10:27 PM
2	Should be open both days. Or be electronic like Cunderdin.	2/3/2026 9:20 AM
3	to make it easier passes to the tip would be appreciated	1/19/2026 10:18 AM
4	Longer hours on Wednesday	1/12/2026 3:45 PM
5	Thank you Gary for everything you have done at our Transfer Station. Really appreciate your efforts.	1/11/2026 6:02 PM
6	Wish to have the rubbish tip open both days of the weekend and Wednesday would seem appropriate.	1/11/2026 6:01 PM
7	Will provision be made for use of a key entry system like Cunderdin?	1/11/2026 4:36 PM
8	N/A	1/11/2026 3:14 PM
9	Why can't it be open 3 days a week to give everyone a chance to get there	1/11/2026 12:31 PM
10	If you're asking for identification, give 2 passes for each household	1/11/2026 11:45 AM
11	how are we supposed to know what our waste delivery number is? we are not given cards anymore	1/11/2026 11:43 AM
12	3 days a week	1/11/2026 11:40 AM
13	Would be even better if could have pass that opens gate anytime like Cunderdin	1/11/2026 11:38 AM
14	I think that the transfer station should be open Wednesday, Saturday and Sunday in the afternoon. Preferably a power solution would be found so it can be automated like the Cunderdin transfer station and open every day.	1/11/2026 11:36 AM
15	The transfer station needs to be open Wednesday, Saturday and Sunday. If staffing the station is an issue investigate options to automate it like you have in Cunderdin. There is a solar farm in our Shire - perhaps they could help fund a solar solution. Please share the results of this survey with the community	1/11/2026 11:32 AM
16	Should be open 3 days a week for the amount we pay in farm rates	1/11/2026 11:19 AM
17	I think the tip should be open Wednesday, Saturday and Sunday afternoons 11am to 5pm. Preferably it could be made fully automated like the Cunderdin transfer station.	1/11/2026 11:13 AM
18	I note Wednesday is not mentioned even though it is currently an opening day. Hopefully we are not losing our second opening day as one day a week is inadequate and it is too far for many to travel to Cunderdin. Many residents were caught unawares over Christmas and New Year due to closures on the 24th and 31st December. I later found info on the Shire Facebook page but not everyone has access to social media. More needs to be done to advertise these unexpected closures. Also these dates weren't public holidays so why was the transfer station closed? Thank you. Karen Siegert	1/11/2026 10:05 AM
19	Could we have it open two days please?	1/10/2026 5:32 PM
20	I believe the the tip should be open 3 days a week Wednesday Saturday and Sunday it's so inconvenient it being only 2 days a week	1/10/2026 5:27 PM
21	Open for the entire day on the weekend allows for clean ups and multiple trips. How about	1/10/2026 3:26 PM

staying open for the entire allotted time - DON'T SHUT THE GATES EARLY

22	Open all weekend would be good	1/10/2026 1:34 PM
23	Electric/ solar powered gates if possible one day !! Thank you	1/10/2026 12:14 PM
24	The waste transfer station hours are unusable for many people, 12 hours a week makes it near impossible to drop our rubbish off. We pay rates just like Cunderdin residents, why can't our waste transfer station be the same hours as Cunderdin.	1/10/2026 1:47 AM
25	Open both Saturday and Sunday but not Wednesday	1/9/2026 9:21 PM
26	Please follow the hours and stop closing before posted times. Put an auto gate in like Cundy and that will solve all the issues	1/9/2026 8:55 PM
27	Would be beneficial for people working six days a week to have it open Saturday and Sunday	1/9/2026 8:16 PM
28	These questions do not allow for the feedback you really need: - The tip needs to be open the full hours it advertises, not close 10 minutes early because nobody is there. - The tip needs to be extended to 9am-5pm on a Wednesday if it cannot be open on both Saturday AND Sunday as it used to be. - We are resorting to having to burn rubbish occasionally because to current tip hours are not workable.	1/9/2026 7:51 PM
29	We should have the same options available as those living in Cunderdin. Swipe card and open 6 days a week. Why does Cunderdin get all the funding, and Meckering none. Poor services, poor road maintenance, poor judgement	1/9/2026 6:46 PM
30	Would be better if could operate like Cunderdin's and can go anytime. Needs power to site.	1/9/2026 5:37 PM
31	Put some post on social media or the Cunderdin shire whatsapp group if it won't be open during advertised opening hours. Not a big deal if you know, but makes a long day if you rock up to empty gates and live a long way out of town.	1/9/2026 5:13 PM
32	Meckering waste should be accessible to residents the same as Cunderdin residents can access there's . 2 half days a week is unacceptable . We all pay our fair share of rates & we should not be treated any different regardless of location . Work times & commitments vary with everyone in today's society so 2 days a week & short hours is not effective when you don't have your rubbish collected from your door step .	1/9/2026 5:11 PM
33	Needs to be open fortnightly at a minimum	1/9/2026 4:18 PM
34	Would like to see it open more hours and days for the working people	1/9/2026 3:41 PM
35	They should have a swipe card for Meckering tip like they do for the Cunderdin tip, this would work out so much better for people who work different hours of the week and weekend and can't always get to the tip during the set hours which aren't very many anymore anyway	1/9/2026 3:19 PM
36	I'm open to the best option for the community.	1/9/2026 2:34 PM
37	I think there needs to be more than 1 day open. There are a lot of farmers/fifo workers who do not get rubbish collection and 1 day a week is not enough.	1/9/2026 2:02 PM
38	8 till 2 in summer and doesn't matter in winter	1/9/2026 1:47 PM
39	I think the whole community would benefit from having the station open for more than 1 day a week	1/9/2026 1:46 PM
40	I will be extremely disappointed if the transfer station is only open 1 day a week.	1/9/2026 1:42 PM
41	Why is it being reduced to only a day? Its hardly open much now? Why not have system as Cunderdin with fob pass then we could access all week. We drive to Cunderdin tip anyway after some pretty ordinary dealings with the current person currently there. How about a change of personnel or automated 7 days please. I know we are only about 230 people but from 2 to 1 day is too little. I would hate to think it is being phased out with this reduction as the first stage?	1/9/2026 1:28 PM
42	Being open both Saturday and Sunday would be great Being open on Sunday for ppl that work 6days a week	1/9/2026 1:26 PM
43	Should be open Saturday & Sunday	1/9/2026 1:24 PM
44	Returning the 3 days a week opening hours would be more beneficial than the so called temporary 2 days a week we currently have in place now.	1/9/2026 1:22 PM
45	Why only one day? Why can't we have swipe card access like Cunderdin residents have to their tip? We pay rates just the same as everyone else, it's not fair that some residents of	1/9/2026 1:17 PM

Meckering have keys to the tip and therefore can go whenever they like, and others of us can't. A swipe card system would be fairer.

46	Sunday would be the best day to open. Most people's day off	1/9/2026 1:06 PM
47	It would be nice to have it open on both Saturday and Sunday instead of Wednesday.	1/9/2026 1:04 PM
48	More days open would be ideal. Sunday opening is handy as most peoples day off.	1/9/2026 12:59 PM
49	If it's open on weekday at least ooen to 5pm	1/9/2026 12:35 PM
