* If you have set up a direct debit arrangement for making automatic repayments to your BusinessChoice credit card account, and there have been two failed direct debit transactions (that is, we cannot withdraw the nominated amount from your nominated account) in consecutive months due to insufficient funds in the nominated account, we may, at our sole discretion:

2. Impose a fee or charge (No change- We currently charge a \$15 missed payment fee when payment is not received by statement due date)
3. Charge interest on any unpaid purchases outstanding (No change)

If your Direct Debit Request is cancelled, you must arrange to either set up a new Autopay Request Form- Direct Debit Request or use alternative payment methods so we can process your payment.

Please ensure that there are sufficient funds available in the nominated account to allow direct debit payments to be made in accordance with your BusinessChoice Facility Autopay Request Form- Direct Debit Request.

Please remember any payments made into the Billing account that places the Billing Account into credit or results in a zero balance at the payment due date, your direct debit will still continue to take place. This also applies if you make an additional payment into the Billing Account that is only a partial payment and still leaves a debit balance on the Billing Account, your direct debit arrangement for the month will remain unchanged and continue to take place.
