Location:	Shire of Cunderdin

Disclosure of Interest:	Nil
File Reference:	Nil
Attachment/s:	Attachment 9.5.1 - Audit, Risk and Improvement Committee Terms of Reference Attachment 9.5.2 - Salaries and Allowances Tribunal Determination (Variation 1 of 2025)

Proposal/Summary

That Council adopt updated Terms of Reference for the Audit, Risk and Improvement Committee (ARIC), the composition of membership, and determine a meeting fee for the Independent Presiding Member and Deputy of the Independent Presiding Member of the Committee.

Background

On 1 January 2026, the *Local Government Regulations Amendment Regulations (no. 4) 2025* (the ARIC Regulations) came into effect, requiring local governments to transition their Audit Committees into Audit, Risk and Improvement Committees and have a six-month period to implement these changes by 30 June 2026.

These changes form a key part of the State Governments broader local government reforms, and aim to strengthen transparency by enhancing financial management, risk and governance practices across local governments in WA. The scope and functions of the ARIC are prescribed to include a focus on risk management and continuous improvement.

Comments

A significant change to the structure of the ARIC, is the requirement to have an Independent Presiding Member and Independent Deputy of the Presiding Member. The Shire will advertise an expression of interest for appointment to these positions, and the appointments are formally made by the Council.

As part of this agenda item, the Council is requested to consider payment of a meeting attendance fee for the Independent ARIC members in accordance with the Local Government CEO and Elected Council Member Determination Variation No. 1 of 2025. Part 6.4A of the Determination prescribes a range of \$105 to \$1,215 per meeting for payment of meeting fees to Independent ARIC members.

Acknowledging that in regional areas it may be difficult to find suitable people who are not already heavily involved in community organisations, and that their time is also valuable and valued, it is recommended that the payment of meeting fees be commensurate with their time and set at \$250.00 per meeting. Independent members can also be reimbursed for travel and associated costs expenses incurred to attend ARIC meetings.

It is not proposed to alter the current practice of all seven Councillors being members of the ARIC.

The Terms of Reference for the Shire of Cunderdin Audit, Risk and Improvement Committee have been reviewed and updated to reflect the changes in legislation and are presented for adoption by Council.

Attachment/s:	Attachment 9.7.1 - Meckering Sporting Club Infrastructure and Development Plan

Proposal/Summary

For Council to receive the Meckering Sporting Club Infrastructure and Development Plan

Background

The Meckering Sporting Club Inc. (the Club) has developed a 10-year Infrastructure and Development Plan to guide future improvements and growth.

In mid-2025, the Club undertook a comprehensive engagement process to identify and prioritise key infrastructure projects and enhancements to member services.

A Forward Planning Committee was established to oversee this process, comprising of Club Committee members as well as the President and Secretary from each of the four affiliated sporting groups—hockey, tennis, golf, and bowls.

Committee members consulted with their respective sporting groups and participated in a planning workshop held in late June. In addition, a club-wide survey was distributed in June 2025 to capture broader member feedback. The Forward Planning Committee subsequently reviewed and consolidated all input received through the consultation process and prioritised the identified projects accordingly.

The Club currently has a membership base of approximately 190, including junior, sub-junior, adult, pensioner, country, and life members.

Comments

The Club has identified several high priority projects and some of these will significantly impact Councils future financial resources. The bowling green reconstruction/resurfacing and hockey field resurfacing projects will be in excess of \$250,000.

Council will need to work with the Club to find the best solution to the issue.

Financial Implications

The Club has identified projects that will require financial assistance from both the Shire and the Department of Creative Industries, Tourism and Sport (Community Sport and Recreation Fund and Night Lights Program).

Council currently has a Sporting Surfaces Replacement Reserve that will have approximately \$212,559 at 30 June 2026. This Reserve has been established for the replacement of sporting surfaces in both Meckering and Cunderdin, primarily the Meckering bowling green, Meckering tennis courts, Cunderdin bowling green, Cunderdin tennis courts and Cunderdin basketball courts.

The Cunderdin bowling green and Cunderdin basketball courts have been recently resurfaced without having to draw on the Reserve.

In the past, Council has taken the view that the cost of replacing surfaces will be met equally between funding organisations.

Strategic Implications

These projects will need to be considered for inclusion in Councils Community Strategic Plan and Long Term Financial Plan.

That Council receive the Meckering Sporting Club Infrastructure and Development Plan.

Proposal/Summary

To provide an update on the matters that the Chief Executive Officer has been addressing over the past month.

Background

Watts Street Subdivision

Construction works associated with the installation of underground power NBN and water headworks will commence in the near future. Neighbouring properties on Hodgson, Yilgarn, and Watts Streets will be advised before this commences.

A final survey of the lots and fencing will need to be completed before the lots can be sold.

Community Plan

All of the community consultation has been completed by 150 Square with good representation at several of the events. The Community Engagement Report from the consultation meetings has been forwarded to all Councillors, ready for the April 2026 Council Meeting.

Play Our Way Basketball Court Shelter and Upgrade

The project has been delayed because Wheatbelt Steel were unable to obtain engineering plans for the shed. The footings have commenced and the shed should be completed in mid-April 2026.

Pathways Construction

Construction of the footpaths is continuing. Works are being carried out on both Forrest and Mitchell Street and stage two will commence in the near future.

Emergency Bridge Repairs

Emergency bridge repairs are needed to be completed on the bridge on Dunlop Street in Meckering. The bridge is located between the railway line and the Meckering-Goomalling Road. Main Roads have identified that several of the piles, stringers and corbels need replacing or repairing.

This work will be funded from the Roads to Recovery Program.
