<b>Item Approved by:</b>	Stuart Hobley, Chief Executive Officer
<b>Disclosure of Interest:</b>	Nil
<b>File Reference:</b>	Nil
<b>Attachment/s:</b>	Attachment 9.5.1 - Draft MOU

### **Proposal/Summary**

For Council to receive and adopt the Memorandum of Understanding (MOU) between the Shire of Cunderdin (Shire) and Cunderdin Community Resource Centre (CRC) for the provision of Library Services.

### **Background**

Council originally signed an MOU with the CRC on the 11<sup>th</sup> September 2013 for the provision of Library Services. This MOU was to expire twenty four months after the effective date, in 2015.

Despite the expiration of the MOU the Shire had continued to contribute annual amounts ranging from \$15,000 to \$17,600, between the years of 2016 and 2023, enabling the CRC to continue to deliver library services.

At the Ordinary Council Meeting August 2023, Council accepted and approved the updated MOU between the Shire and the CRC. This was to expire twenty four months after the effective date, in November 2025.

### **Comments**

The attached MOU, once signed, will be reviewed prior to the expiry date, twenty four months from the date of signing. At this time the Shire and the CRC will be renegotiate the obligations and commitments of each party.

Section 2 of the Shire's obligations has been updated, increasing the fee to \$22,000 to reflect the Shire's 25/26 annual budget.

## 9.6 Information Statement 2025-2026

<b>Location:</b>	Shire of Cunderdin
<b>Applicant:</b>	Deputy Chief Executive Officer
<b>Date:</b>	3 November 2025
<b>Author:</b>	Kay Squibb
<b>Item Approved by:</b>	Stuart Hobley, Chief Executive Officer
<b>Disclosure of Interest:</b>	Nil
<b>File Reference:</b>	Nil
<b>Attachment/s:</b>	Attachment 9.6.1 - Information Statement 2025-2026

### **Proposal/Summary**

Council to review and endorse the Shire of Cunderdin Information Statement 2025-2026.

### **Background**

Freedom of Information gives the public a right to access government documents, subject to some limitations. In Western Australia, under the *Freedom of Information Act 1992* (FOI Act), this right applies to documents held by most State government agencies (such as departments, public hospitals, public universities, and State government authorities), Ministers and local government. These bodies are referred to as Agencies.

Section 96(1) of the FOI Act requires each government agency to prepare and publish annually an Information Statement. The Shire of Cunderdin Information Statement has been developed in accordance with the FOI Act 1992, section 94 which details the requirements of an Information Statement.

The Information Statement must set out:

- The agency's Mission Statement;
- Details of legislation administered;
- Details of the agency structure;
- Details of decision making functions;
- Opportunities for public participation in the formulation of policy and performance of agency functions;
- Documents held by the agency;
- The operation of Freedom of Information (FOI) in the agency.

### **Comments**

The Information Statement has been reviewed and once adopted by the Council, will be made available to the public and published on the Shire's website ensuring compliance with the FOI Act section 96(1). A copy of the adopted Information Statement must also be forwarded to the Information Commissioner.

The Information Commissioner is an independent officer who reports directly to Parliament. The position is established by the FOI Act and is supported by staff of the Office of the Information Commissioner.

The Shire of Cunderdin Information Statement 2025-2026 is included as attachment 9.6.1, and the document complies with the requirements of the FOI Act, as outlined above.

## 9.12 Housing Funding

<b>Location:</b>	Shire of Cunderdin

<b>Disclosure of Interest:</b>	Nil
<b>File Reference:</b>	Nil
<b>Attachment/s:</b>	Attachment 9.12.1 – Sandalwood Village Map 1 Attachment 9.12.1 – Sandalwood Village Map 2

### **Proposal/Summary**

For Council to consider a joint application with the Shire of Tammin to the Department of Planning, Lands and Heritage - Regional Housing Support Fund program for the construction of five new aged units at 51 Lundy Avenue, Cunderdin (Lot 803 DP 415801)

### **Background**

The Department of Planning, Lands and Heritage has announced the \$25 million Regional Housing Support Fund (RHSF) to provide grants to boost new housing and residential lot supply projects across regional Western Australia.

The RHSF will provide grants of up to \$5 million to local governments, community housing providers and landowners/developers to support key worker, community housing and residential subdivision projects in regional Western Australia.

The government is aware that delivering new housing in regional Western Australia can be challenging due to additional costs associated with bringing land and housing to market. These costs include site preparation, provision of enabling infrastructure, construction and civil works – all of which impact the feasibility and affordability of projects. The extent of these feasibility gaps varies across regions, depending on factors such as location, access to finance, availability of skilled labour and materials, and local expertise.

The purpose of the RHSF is to assist with addressing identified and quantified feasibility gaps in relation to enabling infrastructure, construction and civil works, subject to eligibility requirements, and to bring projects to fruition sooner.

For projects to be eligible for funding they must be for key workers or community housing and:

- Projects must be located within, or in the vicinity of, an existing regional centre, townsite or community within regional WA, excluding the Perth and Peel metropolitan region.
- Projects must propose the delivery of three or more dwellings and/or the delivery of three or more residential lots. For dwellings, this can be across multiple lots if the delivery is undertaken as a single package. For subdivision, the proposed lots must be on a single contiguous site.
- Projects must demonstrate the timely delivery of one or more of the following outcomes:
  - New self-contained housing for affordable purchase or lease by key workers, located within a reasonable vicinity to employment locations, amenities and services.
  - Community housing accommodation situated within regional centres or townsites.
  - New serviced lots for residential dwellings.

Applications must demonstrate that the projects are capable, if funded, of timely delivery (i.e. at the stage where contractors can be engaged and construction begins). Applications close at 5pm AWST Friday 19 December 2025.

The proposal is for the Shires of Tammin and Cunderdin to submit a joint business case for the construction of new housing in the Shires of Tammin and Cunderdin.

The Business Plan will outline the funding requirements and outlines funding options for the construction of residential accommodation dwellings in both Tammin and Cunderdin to meet aged accommodation and key worker accommodation needs.

The joint proposals by the Shires of Tammin and Cunderdin seeking grant funding for:

Shire of Tammin:

Construction of five (5) dwellings:

- Four (4) dwellings located on Deposited Plan 110015 being portion of Crown Reserve 8789 (2 X 2 dwelling; and
- Lot 7 No. 7 Nottage Way (1 dwelling – 3x2 dwelling)

Shire of Cunderdin:

- Five (5) aged care dwellings on 55 Lundy Avenue

The total funding requested comprises of a co-contribution of 66.6% State Government grant funding and 33.4% Local Government funding, amounting to a total request of approximately \$4M funding for the provision of 10 aged care and key worker accommodation.

### **Comments**

The Sandalwood Independent Living Units – Stage 2 project is an investment that will result in the construction of five (5) age friendly independent living units within the Shire of Cunderdin. The proposed works constitute Stage 2 of the Sandalwood Independent Living Project, which has already delivered eight units under Stage 1.

Stage 2 will increase the available supply to 13 independent living units, strengthening local affordable aged-housing capacity. The project will enable up to 10 additional elderly residents to remain in their community, bringing the total number of elderly residents at Sandalwood Village to 24.

The Sandalwood Independent Living Units – Stage 2 project will provide focused housing solutions and a complementary aged facility for older people to 'age in place'. The project proposes the construction of five (5) additional ILUs to support the improvement of aged care and health services across the region whilst addressing individual community needs.

The preferred clustered housing model and universal design of the Independent Living Units (ILU)s will provide flexibility in design, construction and build time

This Stage 2 Project will build on the success of Stage 1 in response to findings in the Wheatbelt Aged Support and Care Solutions (2013) Report, the Independent Housing Needs Analysis (2016) and the Aged Care Plan (2012), both of which were conducted by Verso Consulting Pty Ltd. These findings include, but are not limited to, the following:

- There is a continuum of change from larger family homes to ILUs as issues of mobility and maintenance arise for older people in the Wheatbelt;
- Older people are significantly motivated by a desire to remain independent and avoid moving to residential aged care;
- A lack of ILU alternatives is one reason why older people in the Wheatbelt cannot exercise choice and manage their ageing needs;
- All existing ILU housing stock (20 dwellings) in the Shire of Cunderdin are occupied, with an ILU wait list of over 30 persons;
- Demand for ILUs is expected to increase over the next 10 years (to 2035) in the Shire of Cunderdin;
- The current supply does not completely meet the Gold Level of the Liveable Housing guidelines, therefore does not deliver the type of housing required; and
- A demand for an additional 5 ILUs in the Shire of Cunderdin.

The estimated total budget for the project is \$2.8M. The business case suggests a funding ratio of 1/3 Shire 2/3 State Government. If the application was to be successful, the cost to Council would be approximately \$715,740 cash contribution and this would need to be funded in the 2026/27 Budget. The Shire will also contribute \$188,000 in in-kind (project management and land value).

Council has several options in raising these funds:

- Self-supporting loan from the income generated from the project. The five new units should generate approximately \$50,000 per annum. The existing units nearly earn \$100,000 per annum in rent and have very little operating expenses.
- Assistance from the Cunderdin Aged Appropriate Accommodation Committee.
- The Aged Appropriate Accommodation Reserve (balance of \$280,000 at the end of June 2026)

Staff are meeting with the Cunderdin Aged Appropriate Accommodation Committee before the Council meeting and will give a verbal update on their position at the meeting.

4060170	Goldfields Rd	Rabbit Proof Fence South Rd (14.16)	Quairading Rd (6.37)	Tandem Drive Network 6	Tandem Drive Network 6

All of the above roads are going from a current concessional mass level of nil to a requested concessional mass level of 3 under the Accredited Mass Management Scheme (AMMS). This means that the overall tonnes per axle for each truck is increased. (See Attachment 9.5.2).

For example, a RAV 6 truck could go from a maximum capacity of 100 tons to 112 tons.

AMMS was introduced by Main Roads several years ago to decrease the number of truck movements on the roads.

#### **Comments**

HVS will conduct an onsite assessments and consider the safety aspects of approving RAV access in accordance with the [Standard Restricted Access Vehicle Route Assessment Guidelines](#) and [Guidelines for Approving RAV Access](#).

HVS have asked that the Shire assist the assessment process by proving estimated traffic volumes and any comments relating to road condition, that the Shire can foresee impacting the above roads.

If the Shire is in favour of supporting the request, HVS will assess the mentioned roads and a condition report will be sent to the Shire on its findings. If the roads are found to be suitable, they will then be added to the network as per the requested RAV rating.

Any road that requires maintenance or works will not be added to the network until the condition of the road meets requirements of the HVS assessment. Either the applicant or the Shire will need to bring the road to the required standard prior to the road being upgraded to the requested RAV rating.

The approval of an upgrade in RAV rating may result in an increase of on-going maintenance to the requested road.

Works Manager, Robert Bell, will provide comment from a works perspective to Councillors prior to the meeting.

The Department of Local Government, Industry Regulation and Safety (LGIRS) have advised that as all RAV 7 operators will have access to the RAV 7 Network, any interest a Councillor may have could be considered as an interest in common and therefore Councillors need not leave the room and can participate in the item.

### 9.15 Superannuation Contributions for Council Members

<b>Location:</b>	Shire of Cunderdin
<b>Applicant:</b>	Deputy Chief Executive Officer
<b>Date:</b>	14 November 2025
<b>Author:</b>	Kay Squibb
<b>Item Approved by:</b>	Stuart Hobley, Chief Executive Officer
<b>Disclosure of Interest:</b>	Nil
<b>File Reference:</b>	Nil
<b>Attachment/s:</b>	Attachment 9.15.1 - DLGSC Superannuation for Council Members fact sheet

#### **Proposal/Summary**

The Council consider the payment of superannuation contributions for council members.

#### **Background**

Following passage of the Local Government Amendment Act 2024, new sections 5.99B to 5.99E of the Local Government Act 1995 (Act) allow local governments to resolve, by absolute majority, to make superannuation contributions for council members from 1 February 2025.

From 19 October 2025, it became mandatory for class 1 and 2 local governments to make superannuation contributions. For class 3 and 4 local governments, the payment is optional for each council to decide if they want to make superannuation contributions to council members.

Where a local government is required to, or resolves to, make superannuation contributions, individual council members may choose to 'opt out' of receiving superannuation.

Superannuation contribution payments for council members will be made in addition to any other fees and allowances. These will sit outside the threshold for fees and allowances set by the Salaries and Allowances Tribunal. Council members may receive various types of fees and allowances, in accordance with the Act and the relevant determination of the Salaries and Allowance Tribunal.

The requirement to make superannuation contribution payments in respect of these fees and allowances is to be determined in accordance with the Commonwealth Superannuation Guarantee (Administration) Act 1992 (SG Act) and the further guidance provided in Superannuation Guarantee Ruling SGR 2009/2. While council members are not considered employees under the SG Act, they are to be treated in the same manner as employees of the local government for the purposes of calculating superannuation contribution payments. The payment is to be the same as required under the SG Act. From 1 July 2025, the superannuation guarantee rate is 12 per cent.

At any time, individual Council members may opt out of receiving superannuation contribution payments by providing a notice in writing to the Chief Executive Officer.

#### **Comments**

Advice provided to the sector to date is that the Shire President and Deputy President allowances and meeting fees are subject to the calculation of superannuation contributions. Payment of a reimbursement type, such as travel and ICT, are excluded from superannuation calculations.

The Council has previously considered this matter in March 2025, and resolved –

*That Council*

- 1 Will make superannuation contributions to council members under Sections 5.99B to 5.99E of the Local Government Act 1995 and individual Councillors should be given the option to opt out of the receiving superannuation contributions.*

*Moved Cr H Godfrey, seconded Cr B Daly*

*Carried 7/0*

It is recommended that the decision on the payment of Council members' superannuation be revisited after each ordinary Council election to ensure the Council of the day can determine its position on this matter.

The Officers recommendation is presented having regard to the Council decision of March 2025.

### **Consultation**

Chief Executive Officer

### **Statutory Implications**

*Local Government Act 1995*

*s5.99B Superannuation for council members: main provision*

*Provides that a local government may decide, by absolute majority, to pay superannuation contribution payments for its Council members.*

*s5.99C Superannuation for council members: opt outs*

*Where the local government has resolved to make superannuation contribution payments for its Council members, a Council member may opt in or opt out by providing written notice to the Chief Executive Officer.*

*s5.99D Superannuation for council members: other exceptions*

*Council members must nominate an approved superannuation scheme for any superannuation contribution payments to be made into.*

*s5.99E Superannuation for council members: supplementary provisions*

*A local government may recover any returnable amounts from the Council member where incorrect information is provided.*

### **Policy Implications**

Nil

### **Financial Implications**

Should all Councillors opt in to receiving superannuation contributions, the total cost would be \$3,349.80 per year. This would be paid in addition to meeting fees and allowances.

### **Strategic Implications**

Shire of Cunderdin Strategic Community Plan.

5. CIVIC LEADERSHIP
