**Subject:** Bushfire Risk Mitigation Coordinator position

Good morning

Following on from our meeting regarding the Bushfire Risk Mitigation Coordinator position, and to assist with any decision making, please refer to the below table for approximate costs per LG over the 3 years of the contract.

This is based on all the below LGs participating. Also included is the amount contributed by DFES. At this stage Wongan - Ballidu and York have expressed an interest in participating, with a follow up meeting to be held with the Shire of York next week.

If you have any questions or require further information please contact myself or Giles De Brito.

Allocation	2023-24	2024-25	2025-26
Tammin (1 day per FN)	\$7,917	\$11,227	\$11,613
Cunderdin (1 day per FN)	\$7,917	\$11,227	\$11,613
Wongan-Ballidu (4 days per FN)	\$31,666	\$44,908	\$46,451
York (4 days per FN)	\$31,666	\$44,908	\$46,451
DFES	\$79,165	\$48,116	\$49,769
<b>Total</b>	<b>\$158,330</b>	<b>\$160,385</b>	<b>\$165,895</b>

Regards

**Gary Rowles**  
**Bushfire Risk Management Officer**

Goldfields/Midlands Region  
Department of Fire & Emergency Services  
79 Newcastle Street, Northam, Western Australia 6401

FOR A SAFER STATE

**Acknowledgement of Country:** DFES acknowledges the traditional custodians throughout Western Australia and their continuing connection to the land, waters and community.  
We pay our respects to all members of the Aboriginal communities and their cultures; and to Elders both past and present.

**DID YOU KNOW!**

Prescribed burning is one of the main tools available to protect life, property and environment from the impact of intense bushfires.
