**RE: Rubbish Bin Collection**

To Whom it may concern,

I am writing to request that we be removed from the weekly bin collection schedule. We do not require regular bin collection as both my husband and I work away and aren't home often enough to warrant bin collection. Also there would be issues with the bins being out on the road for extended periods while we aren't there. We do not want to be billed to our rates for a service we don't want or need.

Can this please be remedied as soon as possible.

I would also like it to be noted that the constant harassment and complaints by our neighbour Phil Moore is severely impacting on our right to peaceful enjoyment of our property.

Sincerely,

Alanah Fleming
