Sharon Jasper - Beach
18 Newbold Place
Jane Brook WA 6056

Dear Council members

I wish to request to have a plaque in honour of my mother Margaret Jasper, to be put in the memorial Rose garden.

My mum was born & lived in Cunderdin all her life, as her husband Thomas William Jasper did and her family as well.

Could I request that mum be placed next to Dad in the Rose garden.

Mum was well involved in the Cunderdin community playing golf and bowls and very involved in the committees for these sports.

On behalf of myself and my brother Barry, we hope that we can have mum put with Dad in the garden. We look forward to your reply.

Kind Regards
Sharon Jasper - Beach.
